Servants' Register: includes servants and ward attendants.
Pro-forma entries include: date of application (not completed after late 1861); name; age; married/single; trade, business or former employment; address (usually just name of town or village or place of previous employment); engaged or otherwise; in what capacity engaged; date of entering upon duties; date of leaving the asylum; Remarks (usually cause of leaving). Index of names not used. 1860-1910

Information given on pages 1-30.

The pro-forma columns (not always completed) are: Date of application (seldom given); name of candidate; age; married or single; trade, business or former employment; address; engaged or otherwise [**all the entries say 'engaged' so we have only noted variations here**]; in what capacity engaged; date of entering upon duties; date of leaving the asylum; remarks

Please note that in the transcript below entries are listed in alphabetical order and not in the order they appear on the page.
