Photograph album. Carte-De-Visite album with four pages for Cabinet Cards. Contains carte-de-visite photographs of boys, with names on the surrounds in pencil. The boys appear in order of their number in the admission registers. Eleven of the photographs have become detached from their surrounds making identification uncertain. A few of the boys appear more than once. The majority of the photographs are by Blake and Edgar. Two of the three cabinet cards in the album are of older men and the other is of a clergyman. 1870-c1884
